

Table 1

Suppose a restaurant re-opens without government approved social distancing protocols.					
Should the government take away their business license and close the business?					
Or, should the government allow individuals to decide for themselves whether they are comfortable going to that restaurant?					
		Total	Gender		
			Total	Men	Wom
Restaurant Response	Shut Them Down		38%	37%	39%
	Let Customers Decide		47%	50%	45%
	Not Sure		15%	13%	16%
