Sam, just to correct the record, you are doing everything right. I will have a conversation with Sarah Bard. Just keep getting Americans and Green Card holders to keep contributing to Obama-Biden and other Democrats like Howard Berman and etc.

Dear Michael,

I want to see the possibility of seeing before tonight party. I have a flight to catch early in the morning. I am staying at Beverly wilshire at 9500 wilshire blvd. However, I can go wherever you want me to go.

So sorry Sam but we now have a site visit tomorrow from 2 - 4 and then have to print lists for Thursday and all the other prep. Can we grab dinner or lunch this weekend when Imaad is back too? Thank you -- it's always hectic the days before an event as amazing as this one is/will be!! Talk to you soon.

Mike
