Constance,

The receipt we received from the Elections Department the day after the Election said 2,460 Provisionals and 70 Conditional Provisionals. We'll keep you posted about what physically have.

David, I brought this up to Constance, and she theorized that the Provisionals and Conditional Provisional totals might've been combined in Tennex, but that would equal 2,336.

Thank you,

-Gabriella

Wait I just thought about it. They are probably not registered in the system? If that's what it is then I'm good with this.

**Subject:** Data Export - 2022 General

**Importance:** High

I just realized the provisional records received is only 1,615 in our export and Precinct Central states 2,266. Why would this be?

Thank you,
