Subject: Freedom of Information/Privacy Act Requests [20-OIG-171]
Citizens United and Daily Caller News Foundation v. United States Department of Justice, Civ. A. No. 1:20-cv-00974 (D.D.C.)

Dear Mr. Morgan:

This is a partial response to your Freedom of Information Act request to the Office of the Inspector General (OIG), seeking interview transcripts, etc. generated as a result of investigative interviews...in the course of the Department of Justice Inspector General's investigation entitled "Review of Four FISA Applications and Other Aspects of the FBI's Crossfire Hurricane Investigation."

We have processed 460 pages of responsive records. It has been determined that certain portions such records should be withheld from disclosure pursuant to FOIA, 5 U.S.C. § 552(b)(1), (b)(3), (b)(5), (b)(6), (b)(7)(C), (b)(7)(D) and b(7)(E) as follows:

- 5 U.S.C. § 552(b)(1), protects information specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy and are in fact properly classified pursuant to such Executive order;
- 5 U.S.C. § 552(b)(3), protects information exempt from disclosure by statute, 20 U.S.C. § 3024(i)(1);
- 5 U.S.C. § 552(b)(5), protects privileged interagency or intra-agency memoranda or letters, except under certain circumstances;
- 5 U.S.C. § 552(b)(6), protects personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;
- 5 U.S.C. § 552(b)(7)(C), protects records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information could reasonably be expected to constitute an unwarranted invasion of personal privacy;
- 5 U.S.C. § 552(b)(7)(D), protects records or information compiled for law enforcement purposes that could reasonably be expected to disclose the identity of a confidential source; and
- 5 U.S.C. § 552(b)(7)(E), protects records or information compiled for law enforcement

purposes and would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigation or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law.

The OIG has consulted with the United States Federal Bureau of Investigation (FBI), the United States Office of the Director of National Intelligence (ODNI), Office of Information Policy (OIP) and the United States Department of State (State) because they have equity in the records. Redactions attributable to the OIG and the consulting agencies are as indicated within the records. No redactions are attributable to OIP.

Please be advised that the agencies considered the foreseeable harm standard of the FOIA Improvement Act of 2016 when reviewing the responsive records and applying the appropriate FOIA exemptions. Consequently, enclosed is information that can be released (460 pages) pursuant to your request.

We are aware that this matter is in litigation and we will continue to process the records at issue as expeditiously as possible. If you have any questions, you may contact Courtney Enlow of the Department's Civil Division, Federal Programs Branch at 202-616-8467.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

You may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at (202) 741-5770; toll free at 1-877-684-6448.

Sincerely,

2 As I explained to your counsel previously, it is
3 our practice to tape record our interviews and place
4 witnesses under oath. You have an obligation to respond
5 truthfully to our questions today. It is a violation of
6 18 U.S.C. Section 1001 to knowingly and willfully make any
7 materially false, fictitious, or fraudulent statement or
8 representation to us today. Do you understand that?

9 MS. KAVALEC: Yes.

10 [REDACTED] We also request that you refrain from
11 discussing our questions and your responses to them with
12 others. It's important that we avoid a situation where
13 witnesses are tainting each other's recollections. Ms.
14 Kavalec, do you have any questions?

15 MS. KAVALEC: No.

16 [REDACTED] All right. So if you'll raise your
17 right hand, I'll swear you in.

~~TOP SECRET/SCI~~

~~TOP SECRET/SCI~~

1 [REDACTED] (b)(5) per OIG

2 [REDACTED] (b)(5) per OIG there would have been discussions about

3 Russia interference generally, but my question is specific

4 to any discussions you may have had regarding the

5 Crossfire Hurricane investigations and whether it was

6 something specific about the investigations themselves or

7 just more generally the intelligence that Russians may

8 have had contact with the Trump campaign and may have

9 offered some type of assistance to someone on the Trump

10 campaign, that intelligence, do you recall that topic

11 coming up in any of your interactions with the White

12 House?

13 MS. LYNCH: Certainly general interference was

14 discussed.

21 [REDACTED] (b)(5) per OIG I don't recall substantive discussions on,

22 you know, [REDACTED] (b)(5) per OIG the specific

23 counterintelligence investigation at the White House

24 level.

25 [REDACTED] (b)(5) (b)(7)(C) per OIG What about more generally just

~~TOP SECRET/SCI~~

~~TOP SECRET/SCI~~

1 the intelligence that the Russians may have made contact
2 with the Trump campaign and offered assistance to the
3 Trump campaign? Is that something that you remember
4 coming up in your interactions with the White House?

5 MS. LYNCH: (b)(5) per OIG

6 (b)(5) per OIG

I just

7 don't have a specific recollection of that. (b)(5) per OIG

8 (b)(5) per OIG

9 (b)(5) per OIG

10 (b)(5) per OIG

10

11 (b)(5) per OIG

11

Is that something that would have

12

been something that you would have shared or is that

13

something that may have came up in a meeting that involved

14

other individuals? In other words, if it did come up in

15

discussion with the White House, is that something that

16

would have likely come from you personally?

17

MS. LYNCH: No. It likely would have come from

18

the FBI.

19

(b)(5) per OIG

Um-hmm.

20

MS. LYNCH: If the FBI was in the situation

21

where they were able to share information that they had

22

received, intelligence information that they had received,

23

it would have been a report from the FBI, whoever was

24

present from the FBI at the time.

25

(b)(5) per OIG

So it sounds like, Ms. Lynch, you

~~TOP SECRET/SCI~~

~~TOP SECRET/SCI~~

(b)(6), (b)(7)(C) per OIG

Okay, (b)(5) per OIG

(b)(5) per OIG

Ms. Lynch, we were discussing when you first recall learning about Carter Page specifically or the Crossfire Hurricane cases more generally and I think you mentioned that you had some sort of sidebar or pull aside with Director Comey and Deputy Director McCabe where they gave you some information for your situational awareness about Carter Page.

(b)(5) per OIG

MS. LYNCH: (b)(5) per OIG

(b)(5) per OIG

After one of my (b)(5) per OIG weekly security meetings at FBI Headquarters I had a pull aside (b)(5) per OIG with just myself, the Director, and the Deputy Director. They were giving me information, and they described it as, while they didn't use the term, situational awareness, they described it as information that I just needed to

10 then from your meeting, the brunch you had with Chris Steele on
11 July 30th, you sort of had a general understanding of what Chris
12 was imparting to Bruce, that Bruce was sort of going to go to
13 the FBI or somebody to provide that information to them?

14 MS. OHR: My understanding was that he would provide
15 some kind of information on behalf of Chris.

16 [REDACTED] Got it. And based upon that
17 understanding, you then offered up the Manafort chronology and
18 your work product?

19 MS. OHR: Yeah, um-hum.

20 [REDACTED] That's fair?
