Good afternoon!

I hope you all have been keeping well. Checking back following our meeting in January. Would love to know if you are interested in the May 20th engagement (I know the Trans Health Conference is the same day, but our session is in the morning 9-11). I am also planning a youth leadership summit in August that would be another opportunity to come together.

Please let me know if you are interested in these opportunities to collaborate. Happy to come by to discuss in person, or we can set up a phone or zoom again.

Thanks,
Aarav

Hi Aarav,

Happy New Year! Sorry for the delayed response—I just got back from vacation. I would definitely love to collaborate with you around GSA support for the school district and think it would also be great to loop in Andy Taubman, our director of youth services, and potentially our ED Rush, .  Would you have any availability next Tuesday morning?

Looking forward to connecting,

Zoe

I'm reaching out because I'd love to collaborate around PPSD GSA support, as well as some touch base around professional learning ideas for teachers and staff.

Let's coordinate a time to meet, perhaps with other YPI staff, early in January if that works for you.

Take care!

Zoe,

Hello! I'm the GSA advisor at Classical HS, across the street from YPI. We're currently jamming on Pride events (we're holding an event after school on 6/17 and will be marching as a group of students/staff/alumni in the parade 6/18).

We'd love a visit from you-- we meet Tuesdays and Thursdays 2:15-3:15pm.

We'd also love an ink cartridge collection box to support YPI.

Look forward to connecting soon--

Good morning GSAs,

I hope your week is off to a great start! If we haven't yet connected, I'd like to quickly reintroduce myself ☺ my name is Zoe (ZOH-ee) Armstrong. I'm the new(ish) GSA coordinator at Youth Pride Inc., and rep for RI to the National Association of GSA Networks.

I'm excited to get more involved with each of your GSA's and provide some opportunities for your clubs to interact with each other! As the school year wraps up, I'd also love to get input from the students on events and programs I can start planning for next year. To that end, I have a few exciting announcements to share with you all as we head into June!

TLDR: Please fill out [When2Meet](#) for statewide GSA call in June; Lavender graduation celebrating LGBTQ+ seniors @ YPI on Wednesday, 6/22 at 6PM; Club visits--let me know when your club meets, I will bring snacks; Ink cartridge recycling drive--help raise money for YPI and compete with other GSA's around the state for a prize!

ANNOUNCEMENTS:

- 1 Starting this June, I will be hosting quarterly calls for GSA advisors and members. These calls will be an opportunity to get updates from me, discuss issues of importance, share club achievements, and perhaps most importantly, to build our network of Ocean State GSA's! **Please fill out this [When2Meet](#) by the end of this week (5/27) to let me know what date/time works best for you!**
- 2 In order to connect with each of your GSA's individually, I've started doing **club visits!** These can take whatever form works best for your club--in some cases I may introduce myself then just sit back and observe the rest of the meeting, other times I may lead a discussion/activity around an agreed upon topic, I could bring games, or we can discuss any ideas you have. **Please reach out to me by replying to this email or give me a call at (646) 763-2362 to let me know when your club meets, and what snacks I should bring!**
- 3 We will be holding a **Lavender Graduation reception** at YPI on Wednesday, June 22nd from 6-8PM. Graduating LGBTQ+ seniors are encouraged to come and bring friends to celebrate their accomplishments! Students will have the opportunity to submit pictures/videos for a slideshow, and there will be time for a few speeches/performance. There will be refreshments!
- 4 Finally, YPI is partnering with NE Recycling Group on an **Ink Cartridge Drive**, and we need your help! We are collecting and recycling empty ink cartridges to raise money for Youth Pride's services. It's super simple to set up a collection box at your school, and a great community service opportunity for the students. Our contact at NE Recycling Group will periodically pick up the collections and track how much money is raised by each school. At the end, the GSA that raises the most money will win a prize! **Please contact me if you'd like to learn more and get set up with a collection box.**

Talk to you soon!

Zoe

Hello Youth Pride, Inc. friends and fellow youth supporters,

Please help YPI spread the word that we are still accepting applications for the Lipsky/Whittaker Scholarship Fund!

To be eligible, youth need to submit an [application](#) by **May 28, 2021**, and are:

- A Rhode Island high school graduate (or a high school student graduating in the spring/summer of 2021), under the age of twenty-four, **and** - Enrolled (or planning to enroll) full-time in a post-secondary technical training program, two or four year college; **and**
- Either Identify as LGBTQ+ **or** Be raised in an LGBTQ+ household, **and**

This scholarship was established through the estate of John Lipsky and George Whittaker who were life partners for more than 50 years. The two gentlemen passed away in 2005, just eight weeks apart. Their dream was to see “young LGBT men and women grow up without the fear of rejection, violence, discrimination or exposure to HIV/AIDS.”

Application and flyer are attached to this email, and also available [here](#).

Good Morning Aarav,

I hope the new school year has been going smoothly for you!

In preparation for the 2019 GSA Conference I reached out to almost all the high schools in the state to get connected with their GSA advisors. Unfortunately both Central and PCTA did not get back to me. I'm not sure if this means they do not have an established GSA or if my emails/calls fell through the cracks. Being an educator at Classical, maybe you would have better luck reaching out. I suggest contacting the school social workers, they usually have insight into these sorts of things!

In regards to the 2020 GSA Conference we would love to have you and the GSA be part of the planning! We're currently right in the midst of planning for our upcoming Annual Gala on 10/10, but once that has passes I think we should plan a time for us to all meet and discuss at least the date so we can move forward with booking the high school. We can also throw out ideas for the conference during that meeting.

Best,

Tiffani

Hi Elana and Tiffani,

Hope you are both doing well. Classical's GSA was curious about having some joint activities with PCTA and/or Central. Do you know who the advisors are at those schools, if GSAs exist?

As well, as conference time comes into view, our GSA would love to be a part of planning -- whether around workshop development, facilitation, or other areas. Let me know if this is feasible.

Yes, we would love to have them facilitate a session! Would they be able to host the workshop from 1:45-2:45pm on the 13th? This will be a part of "Session 3", where this creative writing workshop will be offered alongside two other tracks, one is a GSA Troubleshooting Workshop for Advisors, and the other is TBD.

If that time works for them, would you mind having them send over a brief bio of the workshop along with the names and pronouns of the facilitators? I want to include them in the conference brochures.

you mentioned additional information they requested last year, think it was about insurance. Maybe send Diane Centofanti (Diane.Centofanti@ppsd.org) a message with your contact information so she can follow-up if she needs anything. Also, I wrote 7-4pm for time, no issue to change, just let Diane know if you want to adjust.

Here is the workshop description from [REDACTED] and [REDACTED]:
Led by two senior members of Classical's GSA, this workshop will provide participating students with a safe space to explore their identity through experimental poetry or prose writing. Also, there will be rainbow candy!

Hi! You started in the right place! I'll connect with Aarav, as he has stepped in as advisor, and meeting regularly with the students after school on Mondays. Getting site approved is easy, Mr. Barr has always been happy to host the annual event at classical. We just need to confirm availability on our end with his secretary. I think there's one, fairly straightforward form to fill out. (fyi In past, it's been held in history department on 3rd floor. Up to 8 classrooms and large common space)
I'm excited, Look forward to it every year.

Good Afternoon Niki and Aarav,

I hope you've been well!

As you know, the GSA Conference is currently scheduled for Saturday, April 13th. I would love to utilize Classical High School for the location, but don't know where to begin. Last year our intern Kaylyn (who is no longer with us) did the footwork for booking the high school. Do either of you know what the best direct course of action would be for requesting the space? Should I reach out to the Principal or is there any other department better suited for this request?

Also, in the past Classical's GSA has presented at the conference. In 2013 your GSA presented on how they build allies and gain new members. Would your group be interested in presenting this year? It could be the same or a different topic! Past school GSAs have presented on a variety of topics such as how they communicate with teachers/administration, how their work impacts the community, etc. Discuss with your students and let us know, if they find this year is not the best to present we completely understand and keep the offer open for next year.

I look forward to hearing from you,

Good Morning Aarav,

Thank you for the quick reply!

We're planning the conference for saturday, April 13th from 9am-3pm. Although we do not have a head count at the moment, past conferences have had ~30 folks in attendance. We would need a main room and two or three breakout rooms. I believe the humanities/history department worked in the past? We will also have outside food; light breakfast and a lunch.

Let me know what you need from us next. I'm assuming a copy of our insurance will be needed at some point.

Best,

Hi! You started in the right place! I'll connect with Aarav, as he has stepped in as advisor, and meeting regularly with the students after school on Mondays.

Getting site approved is easy, Mr. Barr has always been happy to host the annual event

at classical. We just need to confirm availability on our end with his secretary. I think there's one, fairly straightforward form to fill out.

(fyi In past, it's been held in history department on 3rd floor. Up to 8 classrooms and large common space)

I'm excited, Look forward to it every year.

Good Afternoon Niki and Aarav,

I hope you've been well!

As you know, the GSA Conference is currently scheduled for Saturday, April 13th. I would love to utilize Classical High School for the location, but don't know where to begin. Last year our intern Kaylyn (who is no longer with us) did the footwork for booking the high school. Do either of you know what the best direct course of action would be for requesting the space? Should I reach out to the Principal or is there any other department better suited for this request?

Also, in the past Classical's GSA has presented at the conference. In 2013 your GSA presented on how they build allies and gain new members. Would your group be interested in presenting this year? It could be the same or a different topic! Past school GSAs have presented on a variety of topics such as how they communicate with teachers/administration, how their work impacts the community, etc. Discuss with your students and let us know, if they find this year is not the best to present we completely understand and keep the offer open for next year.

I look forward to hearing from you,

Hi all,

We can check with Mr. Barr and his secretary, Diane. Could you please send an email or letter describing space needs, conference timing, and estimated number of people in attendance?

Classical's GSA will meet on Monday, and we will check in about the conference and presenting. Because of teacher contract issues, we did not start meeting this school year until last month, so we are pretty new in establishing our ground for the year. I'll get back to you, Tiffani, after that meeting.

Thanks for the reach out!

Best,
Aarav
