Judge Abrams,

It has been nearly two months since you first said you would be sending out a letter explaining the method for Ms. Sygula to oppose or object to your most recent order on her Motion for Leave to File Third Amended Complaint, but I still haven't received it.

I'd like to schedule a telephone conference to discuss this matter, which dates back to November 2020, and a new development.

Regards,

Judge Abrams,

Discovery requests are due today, and I have to limit them to what you have allowed per your ruling on our Motion to file Amended Complaint because you have yet to advise me of the procedure for objecting to your ruling. I ask you to please... since this case has been pending for so many years and 2 of our witnesses are now deceased... to apprise my client and me of the procedure you promised to apprise us, so we can obtain the full panoply of discovery we wish to request.

Thank you in advance.

Subject: following up on your instructions for Claimant to object to your ruling on her Motion to Amend - Sygula v. VA - Federal Agency Charge No. 532-2021-00072x

Judge Abrams,

I'm following up on your statement in our last telephone conference that you would be sending us instructions for Ms. Sygula to oppose/object to your ruling on our Motion to File 3rd Amended Complaint. Time is ticking away -- we are going into our 4th year of this case and 2 witnesses have died in the interim. We respectfully request your instructions so we can move this matter along.

Thank you in advance.
